## **‘Whistle Blower Policy & Vigil Mechanism’**

### **1 Preface**

- a) The Company is committed to adhere to the highest standards of ethical, moral and legal conduct of business operations. To maintain these standards, the Company encourages its employees who have concerns about suspected misconduct to come forward and express these concerns without fear of punishment or unfair treatment. A Vigil (Whistle Blower) mechanism provides a channel to the employees and Directors to report to the management concerns about unethical behavior, actual or suspected fraud or violation of the Codes of conduct.
  
- b) Section 177 of the Companies Act, 2013 require that every listed company and the Companies which have borrowed money from banks and public financial institutions in excess of fifty crore rupees shall establish a Vigil Mechanism for the directors and employees to report genuine concerns or grievances about unethical behavior, actual or suspected fraud or violation of the company’s Code of Conduct or Ethics Policy. The Company has adopted a Code of Conduct for Directors and Senior Management Executives (“the Code”), which lays down the principles and standards that should govern the actions of the Company and its employees. Any actual or potential violation of the Code, howsoever insignificant or perceived as such, would be a matter of serious concern for the Company. Such a vigil mechanism shall provide for adequate safeguards against victimization of directors and employees who avail of such mechanism and also make provisions for direct access to the Chairperson of Audit Committee in exceptional cases.
  
- c) Accordingly, this Whistleblower Policy (“the Policy”) has been formulated with a view to provide a mechanism for directors and employees of the Company to approach the Whistle & Ethics Officer / Chairman of the Audit Committee of the Company.

- h) The Whistleblower must disclose his/her identity in the covering letter forwarding such Protected Disclosure. Anonymous disclosures will not be entertained as it would not be possible to interview the Whistleblowers.

## 7 **Investigation**

- a) All Protected Disclosures reported under this Policy will be thoroughly investigated by the Whistle and Ethics Officer / Chairman of the Audit Committee of the Company who will investigate / oversee the investigations under the authorization of the Audit Committee. If any member of the Audit Committee has a conflict of interest in any given case, then he/she should recuse himself/herself and the other members of the Audit Committee should deal with the matter on hand. In case where a company is not required to constitute an Audit Committee, then the Board of directors shall nominate a director to play the role of Audit Committee for the purpose of vigil mechanism to whom other directors and employees may report their concerns.
- b) The Whistle and Ethics Officer / Chairman of the Audit Committee may at its

discretion, consider involving any Investigators for the purpose of investigation.

- c) The decision to conduct an investigation taken by the Whistle and Ethics Officer / Chairman of the Audit Committee is by itself not an accusation and is to be treated as a neutral fact-finding process. The outcome of the investigation may not support the conclusion of the Whistleblower that an improper or unethical act was committed.
- d) The identity of a Subject will be kept confidential to the extent possible given the legitimate needs of law and the investigation.
- e) Subjects will normally be informed of the allegations at the outset of a formal investigation and have opportunities for providing their inputs during the investigation.
- f) Subjects shall have a duty to co-operate with the Whistle and Ethics Officer / Chairman of the Audit Committee or any of the Investigators during investigation to the extent that such co-operation will not compromise self-incrimination protections available under the applicable laws.
- g) Subjects have a right to consult with a person or persons of their choice, other than the Whistle and Ethics Officer / Investigators and/or members of the Audit Committee and/or the Whistleblower. Subjects shall be free at any time to engage counsel at their own cost to represent them in the investigation proceedings.
- h) Subjects have a responsibility not to interfere with the investigation. Evidence shall not be withheld, destroyed or tampered with, and witnesses shall not be influenced, coached, threatened or intimidated by the Subjects.
- i) Unless there are compelling reasons not to do so, Subjects will be given the opportunity to respond to material findings contained in an investigation report. No allegation of wrongdoing against a Subject shall be considered as maintainable unless there is good evidence in support of the allegation.
- j) Subjects have a right to be informed of the outcome of the investigation. If allegations are not sustained, the Subject should be consulted as to whether public disclosure of the investigation results would be in the best interest of the Subject and the Company.
- k) The investigation shall be completed normally within 45 days of the receipt of the Protected Disclosure

## **8 Protection**

- a) No unfair treatment will be meted out to a Whistleblower by virtue of his/her having reported a Protected Disclosure under this Policy. The Company, as a

policy, condemns any kind of discrimination, harassment, victimization or any other unfair employment practice being adopted against Whistleblowers. Complete protection will, therefore, be given to Whistleblowers against any unfair practice like retaliation, threat or intimidation of termination/suspension of service, disciplinary action, transfer, demotion, refusal of promotion, or the like including any direct or indirect use of authority to obstruct the Whistleblower's right to continue to perform his/her duties/functions including making further Protected Disclosure. The Company will take steps to minimize difficulties, which the Whistleblower may experience as a result of making the Protected Disclosure. Thus, if the Whistleblower is required to give evidence in criminal or disciplinary proceedings, the Company will arrange for the Whistleblower to receive advice about the procedure, etc.

- b) A Whistleblower may report any violation of the above clause to the Chairman of the Audit Committee, who shall investigate into the same and recommend suitable action to the management.

- d) Any other Employee or Director assisting in the said investigation shall also be protected to the same extent as the Whistleblower.

## **9 Investigators**

- a) Investigators are required to conduct a process towards fact-finding and analysis. Investigators shall derive their authority and access rights from the Whistle and Ethics Officer / Audit Committee when acting within the course and scope of their investigation.
- b) Technical and other resources may be drawn upon as necessary to augment the investigation. All Investigators shall be independent and unbiased both in fact and as perceived. Investigators have a duty of fairness, objectivity, thoroughness, ethical behavior, and observance of legal and professional standards.
- c) Investigations will be launched only after a preliminary review which establishes that:
  - i) The alleged act constitutes an improper or unethical activity or conduct, and
  - ii) Either the allegation is supported by information specific enough to be investigated, or matters that do not meet this standard may be worthy of management review, but investigation itself should not be undertaken as an

investigation of an improper or unethical activity.

**10 Decision**

If an investigation leads the Whistle and Ethics Officer / Chairman of the Audit Committee to conclude that an improper or unethical act has been committed, the Whistle and Ethics Officer / Chairman of the Audit Committee shall recommend to the management of the Company to take such disciplinary or corrective action as the Whistle and Ethics Officer / Chairman of the Audit Committee deems fit. It is clarified that any disciplinary or corrective action initiated against the Subject as a result of the findings of an investigation pursuant to this Policy shall adhere to the applicable personnel or staff conduct and disciplinary procedures.
